Samoset Tribe No. 22, I. O. Red Men, announce they are sponsoring a dance to be held next Monday evening at 9 o'clock. Club Members Are Urged to Give Doughnuts

Over the top! This was the success of yesterday's doughnut sale characterized. The sale, which is being sponsored by the Woman's Club, is in conjunction with the showing of "Men of Purpose" at the Vallejo Theater — the only authentic motion picture of the part played by the U. S. in the late war.

In fact, according to the fair doughnut venders, the demand far surpassed the supply. Armed with 27 dozen yesterday morning, they vanished like the proverbial "hot cakes." The committee, headed by Mrs. Clark Hallam and Mrs. L. W. Becker, announced at the close of the successful first day's business that the sale will continue tomorrow.

But to satisfy the anticipated and desired demand, an urgent call is made to all club members to donate doughnuts. Members are asked by the committee to kindly bring as many doughnuts as possible to the legion dugout at the corner of Marin and Georgia streets this afternoon at 2:30 o'clock.

The proceeds of the sale, as previously announced, will go toward the fund in the purchase of the old Vallejo residence as a permanent home for the club.

In England, a bullet fired through a man's heart passed through the bed on which he was lying, penetrating the floor and ceiling of the saloon below. There it struck a barrel and glanced into the pocket of a customer.
