DOCUMENT DESCRIPTION: Memo RE Dr. Lanza Feels Asbestos Studies are
Nearing a Conclusion

January 16, 1948

A. R. Fisher

Dr. 
Asbestos Studies - Saranac

Dr. Lemza told Hugh Jackson and me a day or two ago that he had recently seen Dr. Vorwald and that he feels that the results of the asbestos studies are really nearing a conclusion.

Dr. Vorwald will be here at our meeting on January twenty-first, so I hope to be able to get a definite date of completion from him at that time.
