Subject: National AV Summit June 5th
Attachments: us Strawman - National Summit on AV Leadership.docx

Hey Stanley,

My name is Grant Burdette, I work in the Office of the Secretary at the Department of Transportation.

On June 5th there is a National Summit on AV leadership happening in the Transportation & Infrastructure Committee hearing room. I'm hoping to connect you with one of event coordinators to discuss potential participation from the AV caucus.

Attached are the details. For context, Carnegie Mellon University is hosting this event.

Best,

Grant Burdette
