Subject: PFAS analysis

Dear [REDACTED]

I would like to introduce you to [REDACTED] from the Environment Agency who has an interest in PFAS analysis. I mentioned that AGCCE used [REDACTED] for PFAS analysis and that you may be able to help provide some guidance with the analysis. AGCCE is happy for you to share any information about the methods/process used relating to the analysis that you have done for AGCCE over the past few years.

With kind regards,

[REDACTED]
