

1 these cases, didn't he?

2 A He may or may not. I mean, it became
3 obvious when I read the history, because since
4 medicine and science was very slow to recognize a
5 hazard, that obviously would be what industry would
6 say.

7 Nobody told us it was dangerous, how are we
8 supposed to know.

9 Q I understand, but he told you what their
10 defense was in the case, didn't he?

11 A I don't know. He may have, maybe not. I
12 honestly don't remember.

13 Q And you have testified since then for Owens-
14 Corning Fiberglas for a number of times, or a number
15 of times, correct?

16 A Yes.

17 Q You testified for Pittsburgh Corning?

18 A Probably. A lot of cases have five or 20
19 defendants.

20 Q You have testified for a company known as
21 Johns-Manville?
