Mr. Ernest T. Trigg,
John Lucas & Co. Inc.,
322 Race Street,
Philadelphia, Pa.

My dear Trigg:

I have your letter of July 31st.

I have to go to the Pacific Coast and I cannot determine when I will return. I expect it will be so late as to be of little use to your convention. I do not hold the high opinion of my participation that you do, but I would like to be of assistance to you at any time.

Yours faithfully,

NH-NH.
