No.

2. Has this defendant been sued under its correct name? If not, state the correct legal name of the defendant and provide the information requested in number one above concerning the defendant as correctly named.

ANSWER:

Yes.

3. Did this defendant, between the years of 1940 and 1980, manufacture or sell asbestos containing products?

ANSWER:

Yes.

4. Give the name and trade name of all types of asbestos containing materials manufactured or sold by you, giving the dates that you began to manufacture or sell each such material listed, and the date you ceased manufacturing or selling such items, if production has ceased.

ANSWER:

See Exhibit "A" attached hereto and made a part hereof.

5. Give a description of the materials listed in Interrogatory No. 3, including the asbestos content.

ANSWER: .

Georgia-Pacific Corporation objects to this Interrogatory on the grounds that same is overly broad and burdensome and will lead to the discovery of no admissible evidence. However, please see Exhibit "B" attached hereto for the asbestos content in each of these products.

6. When was your company first aware that asbestosis mesothelioma, or any other lung disease could occur among workers who were exposed to the inhalation of asbestos fibers from products manufactured or sold by you?

ANSWER:

April, 1973.

7. State the date you first attached a warning of any possible adverse health consequences caused by the inhalation of asbestos fibers to products sold or manufactured by you that contained asbestos, and either attach a copy of that warning, or state the content of said warning verbatim.

ANSWER:

April, 1973.

ST00099982

8. List all warnings of any possible adverse health consequences caused by the inhalation of asbestos fibers ever given on any product manufactured or sold by you which contained asbestos, and the date which said warnings first appeared. Either attach a copy of the warnings or state the content of them verbatim.

ANSWER:

See Exhibit "C" attached hereto and made a part hereof.

9. Is it possible for a layman to distinguish your asbestos containing products from those manufactured or distributed by your competitors when such products have been removed from their container or containers? If your answer is yes, please describe how you contend your product can be distinguished from those of a competitor.

ANSWER:

No.

10. Did each of your products or materials, which contained asbestos, generally reach, or were packaged to reach, the consumer, insulation helper, insulation mechanic, or ultimate user, without substantial change in the condition in which it was sold?

ANSWER:

Yes.

11. If your answer to the above interrogatory is no, with respect to each such product, explain in what way the defendant claims its products were altered or substantially changed after sale or distribution, and before reaching the ultimate user.

ANSWER:

Not applicable.

12. Has the defendant ever acquired another corporation, company, or business, which manufactured, sold, processed, distributed, or contracted to apply insulation products containing asbestos? If the answer to the above interrogatory is yes, then state the following concerning such predecessor:

- a. Full and correct name.
- b. Principal place of business.
- c. State of incorporation.
- d. Date of acquisition.
- e. Was this business authorized to transact business in the State of Texas?
and

ANSWER:

Yes.

- a. Bestwall Gypsum Company
- d. Merger; 4/29/65.

13. Did your company ever produce sales literature or other printed material which advised workers of the hazards of asbestos dust, and recommend ways of handling your materials that would reduce or eliminate the creation of asbestos dust? If so, state verbatim what the literature says and the date in which each instruction or recommendation was put on your literature, also please attach copies of all such literature.

ST0009983

ANSWER:

No.

14. Does your company have, or has it ever had, a division or subsidiary company engaged in the contracting business of applying insulation products? If so, give the name of such division or subsidiary company, the full address of the home office of such division or subsidiary company, and the dates such division or subsidiary company was engaged in the contracting business.

ANSWER:

No.

15. Has your company, or its predecessor, ever conducted any studies concerning the effects of the inhalation of asbestos dust fibers on one using or being exposed to any of the asbestos materials manufactured, sold, or distributed by you. If your answer is yes, give the date and nature of such studies, the name of the persons conducting such studies, the purpose of the study(s), the result of such studies and attach a copy of any report based upon studies.

ANSWER:

No.

16. Please list all of the products containing asbestos, the amount of each product and the date of each sale, sold by you or any subsidiary or predecessor to Dow Chemical Company.

ANSWER:

None.

17. For every product listed above state the first date a warning of any possible adverse health consequences caused by the inhalation of asbestos fibers appeared on said products, and state the content of said warning verbatim, or attach a copy.

ANSWER:

Not applicable.

18. Have you or any of your employees, agents or subsidiaries ever contacted Dow as to the means, methods and precautions to take in installing, or safely removing, or safely maintaining any of the asbestos containing products which you have manufactured or sold? If yes, please state the date of each contact, the means used, the person(s) from your company that were involved, and the names of any personnel from Dow that were involved.

ANSWER:

No.
