Rob:

I have tried to deal with this notice more than once. I think the claim involves two \$ 8.00 cab fares when I was in Washington DC in February of this year for a Shanghai Health Study meeting. I paid cash for both trips. I do not recall whether or not I included a receipt in my initial expense report but I do not have a receipt right now.

Again, I have resubmitted the claim and included an email notice just like the one below. Next steps are unclear but I suppose I could try to run it through again.
