4 BY MR. PURCELL:

5 Q Let me hand this to you. Did you bring your
6 spectacles today?

7 A Yes, I did. I can see that print fine.

8 Q Great, I appreciate it.

9 When you started at the FMSI, were you aware of
10 FMSI members funding experiments with asbestos dust conducted
11 in 1936?

12 A No.

13 MR. FRIESTEDT: Object to the form.

14 BY MR. PURCELL:

15 Q Were you ever made aware of FMSI members
16 sponsoring experiments conducted at the Saranac Laboratory,
17 Saranac Lake, New York, by Dr. Leroy Gardner?

18 MR. FRIESTEDT: Objection.

19 A No.

20 Q Prior to just now, have you ever heard of dust
21 experiments involving asbestos disease being conducted at the
22 Saranac Labs in the nineteen thirties?

23 MR. FRIESTEDT: Objection.
