March 18, 1983, I telephoned Bob and learned the deposition is on for March 30 at 10:00 at our office. Bob spoke with Scharf on March 17.

I telephoned Dr. Van Ordstrand and learned he is scheduled to arrive at O'Hare on a Northwest flight. The arrival time will be either 7:40 or 7:50. I intend to meet the doctor at the gate.

I telephoned Cathy at Harnett & Catellani, 263-3524, and scheduled a court report for 9:45 A.M.

Filed in Diary for March 29, 1983.

P.S. Rick, I will let you know exactly what time you should meet us at the plant in the afternoon once the above deposition is completed. Have you received the x-rays you requested? I have not received the signed military authorization from Harriette yet. Would you see if you could obtain those so that we can obtain the records from the VA?

Thank you.
