Elizabeth Festa Watson
Panel Manager
Dibenzofuran/Dioxins Panel
Chemical Manufacturers Association
2501 M Street NW
Washington, DC 20037

Dear Ms. Watson,

Enclosed is a draft of our report on an independent
epidemiologic analysis of the NIOSH dioxin study.

We look forward to receiving your questions and comments and
to discussing the report with you.

Sincerely yours,

Elizabeth Delzell, S.D.
Professor

Enclosure

Delzell Declined to submit a proposal
because of not being able to take on
additional new work.
