

Beware of Coughs from common colds That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to loosen germ laden phlegm, increase secretion and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding that you are to like the way it quickly allays the cough or you are to have your money back.

Captain George M. McGuire, 86, of Santa Barbara, Cal., catches them to sell—correctly called sea-lions. Every year great herds visit Santa Cruz Island, and McGuire's two operatives snare them with

Kern, Tulare, Kings, Fresno and Madera counties.

Clyde Champion, public relations director for the CIO-affiliated united cannery and agricultural workers union, said at Bakersfield last night the union's executive council had approved a strike.

McGuire claims that three year old females are best for training purposes. He ships his captive sea-lions world-wide.

Inspection Held at Post

"Highly successful. The officers and men are to be complimented."

This was the comment of Colonel Homer M. Groninger Saturday following inspection of his regiment on Soldier Field at the first regimental formation of the 11th Cavalry since the summer training program began several months ago.

The second squadron was the only unit absent from the inspection which began at 8:15 o'clock.

Led by the band, the regiment turned out with its rolling stock, training stable horses and remounts to stand the inspection by the colonel. Also on hand was a platoon of recruits from the Second Battalion, 76th Field Artillery, which demonstrated the new infantry drill regulations.
