Subject: [EXTERNAL] Introduction

Andrea,

I hope all is well and you have settled in over at DOE. I wanted to introduce you to Trevor Falk from NABTU (cc'd here) who manages environment and energy issues for them. As you know NABTU is an important partner to API and Trevor is key to that partnership. I wanted him to have your contact information going forward.

Congrats on the new post and hope our paths cross soon!

Regards,

Rolf Hanson

Vice President, State Government Relations
American Petroleum Institute
