UGH!

What a way to spend a weekend.

Abominable. Odious. Deadly. A thoroughly messy prospect, we agree.

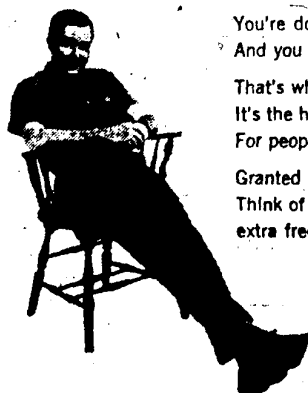

But face it—your house does need painting. It has to be done. Now. We can't do anything about that. What we can do is cut down the mess. And salvage a lot of future weekends for you.

Du Pont LUCITE® House Paint saves you time on the job, and lasts longer, too.

- Proven to resist blistering, cracking, peeling and color fading better than oil-base paints.
- Minimum preparation. Prime only bare spots.
- Dries in half an hour. Paints over damp surfaces.
- Starting and stopping points blend.
- Fast, simple cleanup with just soap and water.
- Use it on wood, stucco, masonry—anything.
- Now available in hundreds of custom colors.
- Made on the West Coast for West Coast homes.

Less work, more wear from easy-to-use LUCITE.

You're done quicker than with ordinary oil-base paints. And you don't have to repaint nearly so soon.

That's what Du Pont LUCITE® House Paint is all about. It's the house paint for people who don't like to paint houses. For people who have better things to do than paint, paint, paint.

Granted that this weekend is shot. Okay—just shoot it with LUCITE. Think of all those other weekends. When you'll have the extra free time to do what you really want to do.
