Acting Deputy Secretary
U.S. Department of the Interior

Dear Acting Deputy Secretary MacGregor:

On behalf of the National Mining Association (NMA) membership, thank you for speaking at breakfast during our Fall Board of Directors and Annual Members Meeting on September 25, 2019.

Our members thoroughly appreciated your comments and the important work you continue to undertake at Department of the Interior (DOI). The steps your department has already taken to decrease regulatory burden, include improving the National Environmental Policy Act process, expediting permitting processes, and working to address the nation's alarming reliance on minerals imports are vital to the viability of the industry. It is because of your leadership, and that of Secretary Bernhardt, that our industry has greater certainty as we seek to operate on federal lands. We look forward to serving as a resource and partnering with you as you continue the great work.

Sincerely,

Rich Nolan
