Re: Standard 51
Listed Product(s)
Official Listing

Dear Ms. Dillon:

Enclosed is a copy of your revised official Listing. Please review the enclosed Listing for accuracy, including footnotes, and report any problems as soon as possible. You are authorized to use the appropriate NSF Listing Mark (Mark) with the product(s) included on the enclosed Listing dated November 4, 1992.

It is your responsibility to comply with all requirements of the relevant NSF standards or criteria, the general and program specific policies, and any other written agreements or contracts with NSF for Listing Services. Please note that, Listed products (except as specifically exempted by policy) must bear a Mark. The same trade designation or model designation cannot be used on Listed and nonlisted products. The Mark is to be placed only on new products (manufactured after the date of authorization) fully complying with all NSF requirements.

If you have any questions, please contact your NSF Service Representative.

Sincerely,

A handwritten signature in dark ink, appearing to read "Joseph L. Phillips", is written over a horizontal line.
