Asbestosis

We thank you for your letter of the 26th inst. re above.
We note contents and are carrying this matter a stage further
with the Inspector of Factories. The firm making these
mattresses in the engine shop of the Fairfield S. & E. Co. Ltd.
are working constantly each day of the week. This is an
important point and we are making special mention of it in our
letter to the Inspector of Factories.

We shall keep you informed should anything further take
place.
