Mr. J. Boyer, Cadwalader, Wickersham & Taft

Gentlemen:

Enclosed are two copies of the sprayed fiber air sampling test conducted by William R. Bradley at U. S. Mineral Products laboratory on March 1, 1967.

The invoice for $475.00 is enclosed with Bert Levine's copies. The original reports have been retained by the writer.

Sincerely yours,

Frank M. Stumpf
Vice President - Research
