INTER-OFFICE COMMUNICATION

FROM J. A. Ulrich	OFFICE
TO: P. Olsen	OFFICE
SUBJECT	DATE 9-20-07

MESSAGE: Please run comp-rec data on this gasket identified as "known good material from J Belter" and submit parallel information to J Belter. That is info parallel to chart you submitted yesterday. Your handling of this project has been most efficient & thank you,

P.S. Please advise me as soon as this is completed as we are anxiously awaiting your reply.
