Thanks Hayley!

We will come back to you early next week with a revised Volvo Group attendee list; it will be fewer than what we had previously sent.

Regards,

Jonathan

That works perfect. Thank you so much for coordinating and being flexible. Let's plan for 2PM that day. We will allot an hour for the meeting.

I have your original requests with attendee information but if you have any additions please send along. Or feel free to just confirm once more so we can get them all set with security. I will have someone from our office reach out to both of you with arrival information early next week.

Let us know if you need anything else. We look forward to it!

Hi Hayley,

Thank you so much for reaching out. I have spoken with Jonathan Miller from Volvo/ Mack Trucks (cc'd) and our counterparts at Daimler and we appreciate the opportunity to join the meetings.

All executives are available to meet with Administrator Pruitt the afternoon of September 20th. The 1:00- 3:00 pm timeframe works well, but we can be flexible in the afternoon.

Thank you,

Traci Kraus

Subject: Meeting with Administrator Pruitt re: heavy-duty truck emissions program

Hello all,

Cummins, Daimler, Mack Trucks and Volvo have all requested a meeting with Administrator Pruitt for the Sept. 19-21 timeframe to discuss the same issue of the heavy-duty truck emissions program. We would like to request to consolidate these meetings into one meeting. Cummins/Daimler requested Sept. 20 and Mack Trucks/Valvo requested Sept. 19 or 21. We could offer a meeting with Administrator Pruitt either Sept. 20 or 21 and we are flexible on timing.

Would your respective parties be ok with a joint meeting? And are either of you flexible to attend either 9/20 or 9/21? Please let me know what works for you and I will give you a final confirmation once I have that information.

Thank you for working with us on this!

Hayley Ford
