I haven't been able to get his tag number. He is travelling today. I do know he will need a spot reserved. I hope I'll have the information today. If not, is still possible to reserve?

Thanks so much!

Lisa,

There are two options-

1. If he has a driver, he can arrive at 9th street entrance and the driver can remain on site. See attached
2. If he is driving, we can reserve him a spot in the garage. We require vehicle plate and state to reserve a spot.

If you could please touch base with me at the start of March, that would be great!

Thanks so much.
