Re: Employee: Redacted
File:
E. Date of Alleged Exposure: November 12, 1972

Dear Mr. Kull:

Thank you for your letter of February 16, 1973. In order that our Cleveland office will be aware of this claim, and its potential, I am sending a copy of your letter to our Cleveland claims manager, Bill Wangler.

We have had Mr. [Redacted] examined by a specialist whose report we do not have as yet. However, we understand verbally from our doctor that Mr. [Redacted] condition is quite serious. Our doctor was to review the Kaiser Hospital records, review the list of chemicals to which Mr. [Redacted] had exposure at the plant, and then tour the plant facilities in order that he will be fully prepared to submit a written report to us.

Further developments will be reported to you as they occur.

Very truly yours,

LIBERTY MUTUAL FIRE INSURANCE COMPANY
