INTEROFFICE
MEMORANDUM

Subject Eckhardt Speech

To R. Fleming

Executive

(Location, Organization, or Department)

From J. T. Barr ✓

(Location, Organization, or Department)

The Eckhardt speech on VC abatement costs is not an AIHC matter because it deals with a specific chemical.

It should belong to SPI, but they have been so low-key recently (not having done anything public about the CPSC/VC study) that I expect that if you want anything to get to Eckhardt that you had better do it yourself. I attach a draft of a possible reply.

A handwritten signature of J. T. Barr, written in dark ink, positioned above a horizontal line.
