

# 2018 FALL BUSINESS MEETING

September 17-19 | Raleigh Marriott Crabtree Valley Hotel | Raleigh, North Carolina

June 26, 2018

Mr. William Wehrum  
Assistant Administrator, Office of Air and Radiation (OAR)  
U.S. Environmental Protection Agency (EPA)  
William Jefferson Clinton Building  
1200 Pennsylvania Avenue, N. W.  
Washington, D.C. 20460

Dear Assistant Administrator Wehrum,

On behalf of the Association of Air Pollution Control Agencies (AAPCA), we would like to invite you to attend and speak at AAPCA's 2018 Fall Business Meeting, which will be held from September 17 to 19 at the Raleigh Marriott Crabtree Valley in Raleigh, North Carolina. AAPCA is a consensus-driven organization representing more than 40 state and local air agencies on technical Clean Air Act issues. Regular attendance and participation by senior U.S. EPA officials at previous Association meetings has been greatly valued by our membership.

More information on AAPCA's 2018 Fall Business Meeting is available on our website ([www.cleanairact.org](http://www.cleanairact.org)). The meeting is closed to the press, and on September 19 programming will be limited to federal, state, and local agency personnel and their multijurisdictional organizations (with non-governmental attendees participating in the first two days). AAPCA's 2018 Spring Meeting included participation from more than 150 attendees, including senior officials from nearly 30 state and local air agencies, as well as nearly 20 staff from U.S. EPA.

Thank you for your consideration of our request. If your schedule permits, AAPCA's members look forward to seeing you in Raleigh and discussing opportunities to work together on Clean Air Act issues. If you have any questions, please contact Mr. Jason Sloan, AAPCA's Executive Director, at [jsloan@csg.org](mailto:jsloan@csg.org) or (859) 244-8043.

Sincerely,

Stuart Spencer  
Associate Director  
Arkansas Department of Environmental Quality  
2018 President, AAPCA

Nancy Vehr  
Air Quality Division Administrator  
Wyoming Department of Environmental Quality  
2019 President, AAPCA
