★ ★ ★ ELLIOTT COMPANY manufactures Power and Industrial Plant Equipment. A complete list of products manufactured by Elliott Company is given on the back cover of this issue.

A list of District Offices and their addresses is also shown on the back cover. These offices maintain engineers, experienced in Power Plant operation and maintenance, who will be glad to cooperate with you.

★ ★ ★ POWERFAX is a magazine of information for engineers and operators of steam and electric power plants, devoted mostly to the field covered by power equipment as manufactured by Elliott Company and its associates, The Lagonda Manufacturing Company, and Liberty Manufacturing Company.
