7 to now read interrogatory responses that were filed by
8 Mrs. Grewe and her lawyers in the Grewe case.

9 The first interrogatory response that I
10 would like to read is the response to interrogatory
11 number 8 which was a part of plaintiff's answers to
12 defendants' joint interrogatories which were signed by
13 Mr. Grewe before his death, and filed on August 18,
14 1993.

15 Interrogatory number 8 asks, state the
16 periods during which you were exposed to asbestos
17 fibers, and Mr. Grewe's answer was, plaintiff was
18 exposed to asbestos fibers at various times during the
19 years 1950 to 1992.

20 MR. SMITH: Are you going to read the
21 supplemental answer as well?
