Mr. Kelly and Nick,

I, too, would like to thank you for hosting us on Thursday. Our meeting provides us energy to pursue a 'fit' for an environmental liability transfer from Superfund sites. I can attest that Randal's enthusiasm has been charged to the troops in Saint Louis. With luck, we will be back with you, soon, to pursue a mutually beneficial opportunity.

Regards,
Mark

Kell/Nick,

It was a pleasure meeting with you yesterday. We left the meeting energized and confident that the stated goals can and will be obtained. As discussed, the ELT team will research and select for your consideration, Superfund Sites best suited for environmental liability transference. We will coordinate such activities through Nick. All journeys start with the first step! Neither Mark nor I received a business card from Veronica – please let her know that it was a pleasure meeting her as well and that we look forward to her participation moving forward.

Kind regards,

Randall Jostes
