Francisco-- please excuse my delay and thank you for the quick response. Our constituent delegation departs the evening of 3/12.. is there any chance that 3/10-3/12 can work? Happy to work around your schedule on those dates. I know the County leadership for both Pecos and Reeves counties will be joining, but I will get you exact names asap.

Thank you!

Good afternoon Cesar,

We would love to meet when you're in town! We are available to meet on Thursday, March 13 any time between 11:00 am – 3:00 pm (EST). Let us know if that works for you and we will get it scheduled and send arrival instructions to DOT HQ. In the meantime, are you able to provide us with a list of people that will be joining you for this meeting? We want to notify our security team of your arrival. Thank you!

Very respectfully,
Francisco Aponte

You don't often get email from cesar.prieto@mail.house.gov. [Learn why this is important](#)

Hannah-- hope you are doing well and great to connect. I understand you are coordinating congressional affairs for DOT. I am reaching out on behalf of Congressman Gonzales who would like to request a meeting between DOT and elected officials from our district who will be in DC next month between March 10-13.

The constituents in question are traveling from Pecos and Reeves County in Texas (our oil and gas region). They would like to discuss a highway infrastructure concern that relates to safety in the area, and which they are also coordinating with TXDOT.

Please let me know who the best POC would be to coordinate this with and thank you in advance for your help.
