GENERAL ANNOUNCEMENT

Expansion of the Seal Division's field sales staff is announced by the addition of J. I. Jamrog and R. J. Meyer as Sales Engineers.

Jim Jamrog will assume duties in the Eastern Michigan and Northern Ohio areas, as well as assist in handling our passenger car accounts. He will report to Mr. J. D. Buescher, Eastern Region Manager.

Bob Meyer will be responsible for the International Harvester account as well as all business in the Indiana and Kentucky areas.

Both will assume their new responsibilities as of September 1, 1968.

Jim has been with Victor since his graduation from Purdue University, having various duties in Sales Forecasting, Production Control, Customer Service, and Bearing Distributors.

Bob brings to us a wealth of experience gained in fifteen years of industrial sales in the Middle West area. After completing Marketing studies at Northwestern he has been associated with Parker Hennifin and a large distributor in the fluid power industry.
