Re: Workmen's Compensation Insurance
Policy #WC1-131-019746-011

Dear Bob:

This will clarify my letter of September 8, 1971 in which I informed you of our underwriters decision to non-renew the Campbell-McCormick Workmen's Compensation policy which expires February 1, 1972.

As I told you Liberty Mutual is not willing to renew that policy unless there is a substantial change in your operation prior to February which results in a complete elimination of the asbestos exposure.

The same decision applies to the captioned policy for McCormick Asbestos. Even though this policy does not normally expire until June 1st, it will be cancelled pro rata effective February 1, 1972 if the asbestos hazard still exists at that time.

Very truly yours,

-/- J. [illegible]
