TO: FOOD, DRUG, AND COSMETIC CHEMICALS COMMITTEE

SUBJECT: Agenda for November 4, 1970 Meeting

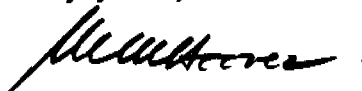

Gentlemen:

Attached is a copy of the tentative agenda for the next meeting of the committee to be held in the MCA Conference Room in Washington starting at 10:00 a.m.

It is expected that the Imperial Chemical Industries Film on food additives which was shown recently on British television will be available for showing at the meeting.

Also, an invitation has gone to Dr. Jack Leighty to discuss with us on that day the proposed revision to the Meat Inspection Regulations involving clearance of intentional additives with USDA.

Sincerely yours,

Morgan M. Hoover, Secretary
