Subject: Re: EPA Contact/GA Gov's Office Contact

Hi Dave,

I work in intergovernmental relations for Administrator Pruitt at the EPA and want to offer my contact information and assistance as y'all prepare for Irma. Please let me know if we can do anything to assist your efforts and know that we are ready to embed EPA personnel throughout the region if needed.

If Governor Deal has an interest in speaking with the Administrator in the coming days, please let me know and I would be happy to arrange something. We are hoping for the best down there and that this storm downgrades before it hits the U.S. If your coastal areas need further support, please let me know. Georgia has the full attention of the Administrator and his staff here at the EPA.

Regards,
Preston Cory
