Leila,

I think we need to get a Meeting Information Request Form for this. We should use the same process for each requester and the information we get from the form is important in making a determination. For instance, the letter states that "NCAI and its partners would like to meet with you" but we don't have a list of expected participants. Nor do we have any information regarding possible representation of any expected participants by BHFS. If you could please ask the requester to complete the form, I would appreciate it.

Thank you,
Ed

Good evening Deputy Secretary Bernhardt—

Please see NCAI President Keel's attached letter requesting a meeting to discuss several issues with you.

Please let us know whether you have any availability after the New Year to discuss, or whether you'd like us to work with your scheduler to find a good time for all.

Thanks for your federal service, thanks for your time and enjoy the holidays sir.

Best,

Derrick
