SUBJECT MEETING - VCM REGULATION STRATEGY R. H. Marks

A meeting will be held on Tuesday, June 28 at 9:00 A.M. in the corner office in the Executive Area at Piscataway. We will discuss the strategy developed as a TCI response to the recent EPA proposed new VCM standard prior to a meeting which Messrs. Anderson, Flint and I have with Allan Topol of Covington and Burling, our outside counsel, on June 30. Written responses are due at EPA by August 1 and a public hearing has been scheduled for July 19.

Your attendance at this meeting will be appreciated.

Message

Pam Reid has been on vacation this week; accordingly I have been unable to review with him the possibility of getting samples to verify the dispersion model.
