What Women Can Do With Can of Paint and "a Little Work That's Fun"

WE want to be of aid to women who wish to keep the home always spick and span, so we maintain a "paint and varnish service" that makes it easy work and fun to do many little interior painting jobs yourself.

We make a special line of paints, varnishes, etc., for "home work" after 72 years' experience with paints and painting practice. They are paints that spread easily, dry perfectly and give the best lasting results.

The scientific paints and varnishes are

the easiest to apply. They cost no more, and sometimes less than others.

What pleasure to have home things always looking bright and new! What fun! to view your own work neatly done! Surprise yourself. See what you can do with "just a can of paint or varnish" in your home.

Use Fuller's products. Follow Fuller's simple specifications for the work you want to do, and you'll make transformations that will be a real delight.

Remember — don't let surfaces rot — it costs less to paint them.
