"The water coming
 out of the side of
 the tunnel has passed
 to the westward direction of
 the Atlantic Ocean. Water
 has been heard at
 the bottom of the
 tunnel. It is not known
 whether the water is
 fresh or salt."

ut bother!

...or splatter like regular paint. See
E. clings to roller without dripping

down the handle onto your fingers. As the ceiling, you'll stay neat and easy smoothly and evenly. too.

...ing colors. For woodwork, kitchen walls and ceilings, use DuPont Enamel in matching colors. Get both now at your local DuPont. In 22 smart colors and white.
