Dave:

I wanted to see if you had some time to visit in the next few weeks. It would be good to catch up on migration, mitigation, access and whatever else is on your mind.

On a related note, the migration crossings workshop ended yesterday in SLC and we're getting really good feedback. Let me know if you hear anything different.

Finally, every year we host a BBQ for the Secretary in conjunction with our Policy Council meeting, board meeting and Capital Conservation Awards Dinner (which is on May 1 and to which you are invited).

The BBQ would be on the evening of May 2, likely at the Potomac Boat Club in Georgetown. Assuming you're OK with this, please hold the evening on your schedule.

Thanks,

Whit
