

FILE NAME: General Dynamics (GED)

DATE: 1961 Mar 22

DOC#: GED010

DOCUMENT DESCRIPTION: Memo - Industrial Hygiene

GENERAL DYNAMICS
Electric Boat Division

MEMORANDUM

TO: Department Heads
FROM: R. B. Chappell, Jr.
FILE NO.:
SUBJECT: Industrial Hygiene
REFERENCE:

Date March 22, 1961

Mr. J. L. Flynn, industrial hygienist, is assigned the responsibility for control of environmental health throughout the Division. He will be concerned with potential personnel hazards arising from the following categories of industrial exposure:

gases, dust, heat, noise, light, ventilation,
sanitation, skin irritants and microwave
radiation.

All department heads are requested to advise their supervisors of this service and when confronted with environmental problems to contact Mr. Flynn who is located in the Yard Hospital.

R. B. Chappell, Jr.
Industrial Relations Manager
