Dear Mr. Melton,

I am writing to inform you that the Enforcement and Compliance Assurance Division of Region 6, United States Environmental Protection Agency ("EPA") inspection of the Derichebourg Recycling USA Facility on March 14, 2024, included a visit to your facility at 1 Wharf St, Houston, Texas, evaluating the potential for Resource Conservation and Recovery Act ("RCRA") violations. Based on the March 2024 inspections EPA has determined no further action is required.

As part of the inspection process your facility was issued and EPA identification number, referred to as an EPA ID#. That number is TXD003897634. This number was assigned as a way to document the inspection and no future action determination.

The inspection report can be viewed at <https://www.epa.gov/tx/enforcement-compliance-assurance-documents-texas>. If you have any questions regarding this letter or the file review, please contact Ashley Pederson of my enforcement staff at the above address, via email at pederson.ashley@epa.gov or by telephone at 214-665-7561.

Sincerely,
