Alex,

I wanted to take a moment and see if you would be interested in participating in our **CRES Energy Leadership Summit** as a speaker. We are hoping to highlight the role that the Department of Energy is playing in ensuring American energy dominance, and we thought you might be a perfect fit.

We are able to accommodate any time between **11 AM and 5 PM**, so let us know what would work for you, if you would be interested. All programming this year takes place at the Royal Sonesta Hotel Capitol Hill (**20 Massachusetts Ave NW, Washington, DC 20001**). Let me know.

Thank you,
Christina
