Attention: Mr. Dick Brennan

Reference: Air Cassette Analysis
Briggs Project No. 70931MA

Dear Mr. Brennan:

Attached are the analysis results of two asbestos air monitoring cassettes which were received by Briggs Associates, Inc. on December 9, 1986.

The air cassettes were collected by persons other than Briggs personnel. Briggs Associates, Inc. is not responsible for the methodology used in the collection of samples submitted for analysis only.

The samples were analyzed by Briggs Associates, Inc. in accordance with appropriate test methods applicable for air cassettes (NIOSH Analytical Method #P & CAM 239).

If you have any questions concerning this report, or if we may be of further assistance, please do not hesitate to contact me at your convenience.

Sincerely yours,

BRIGGS ASSOCIATES, INC.
