

1 Q Can you tell us how much money you make for
2 these consulting jobs that we have gone over?

3 MR. WILLIAMS: Your Honor, objection. I
4 think we have established that all of the experts get
5 paid.

6 THE COURT: Overruled. If he can answer the
7 question, he may be permitted to do so.

8 A I don't have that number breakdown. The
9 best I can give you is, as I said, I spend about 30
10 percent of my time doing consultation work in work
11 related to legal cases, and out of that 30 percent,
12 maybe one-third of that will be related to asbestos.
13 That is the best that I can give you.

14 Q Now, with respect to your epidemiological
15 studies, Doctor, am I correct that that studies groups
16 of people to calculate probabilities and assess the
17 various risks?

18 A Yes.

19 Q Essentially you don't perform any other
20 medical functions as an epidemiologist?

21 A Well, basically in a full scale
