Hayley. Sorry I missed your call. Don't tend to answer if no name pops up. Will check the dates with my colleagues tomorrow and get back to you. Becky

Hi Becky,

It was nice talking with you by phone earlier this evening! I just tried you at your house number you gave me, but got the answering machine. I understand it's late so we can talk tomorrow, but I did want to get you this information as soon as possible.

As we discussed, we had some out-of-town travel surface that needs to happen around the time of this event. It is now looking like we will be out of town that week of Dec 11. As I know your folks will be booking flights very soon, we are hoping that we could move the date of this event. I sincerely apologize for the inconvenience that this causes but I'm hopeful that we can still make this a great event with strong involvement.

In offering other dates that would work for us, we could do Dec 4 mid-afternoon, Dec 5, Dec 6, or Dec 7 afternoon. Would any of those dates work for you?

Please let me know. We really appreciate you working with us on this and can't wait to address the group. Thank you for understanding!

Do you know any conservative leaders from around the country we should invite? Perhaps some who were active in support of President. Do let me know. Becky

Ok, I will hold 2-3PM on Tues, Dec 12 for him to be at Heritage. As we get closer, we can identify staff that may be able to join as well and perhaps stay for a longer portion of the meeting. Let me know if you need anything as the date approaches.

Thank you!

I think Dec 12 would be better. I trust he can come to Heritage. Our goal will be about 40 leaders. Perhaps he can bring some of his top people who can stay longer. I need to reserve the room so will set that in motion. Thanks, Becky Norton Dunlop

Hello Becky,

I wanted to follow up on this. I'd be happy to schedule an hour-long session for you with Administrator Pruitt. How would Nov 7 work? 3-4PM would be a good time for us that day. Alternately, we could do Dec 12 in the afternoon.

Let me know which works best and I will hold that time.

Thank you!

Liz…would be very pleased to host a half-day meeting and discussion for Administrator Pruitt with 25-30 key leaders from around the country at Heritage before the end of the year. If you can arrange some dates that might be possible, I will proceed with locking down meeting details and sending invitations. Becky
