Mike - sorry I've been in back-to-back meetings and got pulled into a last minute meeting off campus. I'm adding Robin to this email to confirm, but it looks like my only availability today is at 5:15. Does that work?

Brittany, I understand you've been called into another meeting. I just wanted to check if that affects both the 11 a.m. meeting on asbestos and the 11:30 call. For the 11:00 a.m. meeting I had member company representatives travel to DC, and if it's possible to reschedule that for later today that would be great. I know you are dealing with a lot of stuff. Thanks for the clarification. Mike
