I think we are good Mike. There is an outside chance I will get pulled off for Hurricane Irma/Harvey response.

Michael,
Absolutely we can meet. Crystal Penman who handles my schedule will find a time for you all to come in. I am traveling a fair amount so she will have to find a time that works (for example I know I am not available on the 18th and 29th for certain.

On a separate issue we need to find some time for you, that reprobate friend of yours from Baton Rouge, and I to grab a drink and talk about life before too long.

Thanks,
Lee

Lee-

Hope you are well! I'm sure missing an August break - I imagine not much down time for you!!

I'm writing to see if I can bring our client (BNSF) and AAR in to see you? They would like to pick your brain on a jurisdictional matter with respect to coal dust discharge on a railroad. We are available 9/11, 9/13, 9/18, 9/22, 9/25, 9/28, and afternoon of 9/29. Any chance one of those days work for you?

Thanks!

Mike
