

(Drislane - Purcell)

1 MR. PURCELL: That's your view.

2 MR. FRIESTEDT: That's my view.

3 MR. PURCELL: How do they lack foundation? I
4 would like to clarify that.

5 MR. FRIESTEDT: Well, sir, my objection is on
6 the record and we can go into it at the appropriate time.

7 MR. PURCELL: Can we go back on.

8 MR. LELIEVRE: 9:38 a.m., we are now back on
9 the record. Please commence.

10 MR. PURCELL: I would like to mark as next in
11 order Exhibit R a set of meetings from the FMSI Board of
12 Directors, January 7, 1958. This is several pages long. On
13 page 7 from the secretary there is reported information from
14 the Safety Campaign Committee, apparently chaired by a Mr.
15 Snow who submits this report.

16 (Exhibit R, 1/7/58 FMSI Board of Directors'
17 Meeting Minutes, marked for identification.)

18 BY MR. PURCELL:

19 Q I would like to draw your attention to the bottom
20 of page 7 and over onto page 8, the resolution is that the
21 report of the Safety Committee is accepted as read. And if
22 you can just review for a moment the report from Mr. Snow, I
23 would like to ask you a couple questions about it.
