Subject: PFAS Coordinating Committee Call

Hi all,

You are getting this email either because you've been invited by ECOS* to attend a state-sponsored conference call about PFAS issues, or because you've asked to be informed about its timing.

ECOS is arranging a regular conference call among federal officials at EPA, FDA, NIEHS, and CDC, and several state environmental commissioners. The first call will be **Friday, June 22 from 3-4pm**. Our initial goal is to have a small group, an efficient call, and a frank discussion, and that is why we are limiting attendance at first. The group can decide during its first call whether to open it up more in the future. I will distribute notes from the first meeting to everyone.

*ECOS is doing this

in concert with other state associations (ASTHO, ASDWA, ACWA, and ASTSWMO, all copied on this email).
