Re: Particulate Emissions Testing: Stack #1, #4, #5, #6 and the Wet Stack

Dear Mr. Moore:

Enclosed are two copies of our results on the particulate emissions testing we conducted at your facility November 27 through December 1, 1989 on the above stacks.

If you have any further questions, please do not hesitate to call.

We certainly have enjoyed working with you and look forward to serving you again in the future.

Sincerely,

G. Sumner Buck, III
President
