Board Directors for 1969

As Executive Vice President of the Association it is my pleasant duty to confirm that the members of the Association at their 1969 Annual Meeting elected you to the Board of Directors to serve until the Annual Meeting in 1970.

I know that Dave Borcina joins with me and the rest of the staff in congratulating you and we are all looking forward to working with you during the coming year.

We also wish to extend an invitation to visit with us any time you are in New York.

Kindest personal regards.

Sincerely yours,

John L. Kimberley
