P.O. Box No. 4 Thornton-Cleveleys
Blackpool FY5 4QD
England

Dear Dr. Bennett:

Your inquiry about US 41 should probably go to Clifford A. Johnson, Jr. M.D., Corporate Medical Director, Goodyear Tire and Rubber Co., Akron, Ohio 44316. Roy N. Johnson of whose title I am unsure is the head of GenCorp's Health and Safety programs and is probably the best source of information for US 36. His address is GenCorp, One General St., Akron, Ohio 44329.

S. Steele (Can 13) was an employee at our Niagara plant, not Shawinigan, and I would suggest any inquiry on that case be addressed to E. Beeler, the plant manager. M. Bibeau is the proper contact for Can 11 and 12, but he has previously denied to me that he has any records on them.

As of 28 July 1988, S. Ferguson, US 33, was still alive to the best of our knowledge. Since his family will be entitled to a death benefit, we expect to be made aware of his death when it occurs.

Sincerely,

Harold W. Dietz, M.D.
Director
Health and Environmental Services
